

PINE BLUFF GUN CLUB MINUTES OF JANUARY 21, 2024 MEETING

Meeting called to order at 2:00 PM in the White Hall Community Center.

Opened the meeting with the prayer and pledge.

Financial and membership reports given and accepted.

Match director reports followed:

Defensive Pistol Match the 2nd Saturday of each month starting at 9:00 AM. Lot of fun. Get good practice time in and fellowship. \$5.00 entry fee. Need weapon, preferably 3 magazines and a holster. Less than 100 rounds of ammo usually required.

Bowling Pin Match the 3rd Saturday of the month February through October starting at 10:00 AM. Entry fee of \$5.00. If want to shoot more it is \$3.00 per gun for each extra. Can be very challenging. Also, a lot of good fellowship. The March, June and September matches incorporate up to 25 pieces of steel targets. Need rimfire and centerfire weapon each time.

Old business next gone over:

The entrance to the club is now finished and looks nice.

The Don Smith Memorial Match was discussed. It will be some type of 22LR rimfire match. The Pattersons and the Board will work out the logistics. To be held in April or May most likely. A special notice will be sent out to the club about it.

Still in the process of getting the steel targets all out at the 200 and 300 yard berms. Have the steel, just need to fabricate stands.

The Special Olympics Raffle was a success with \$4,000.00 raised. They are very appreciative.

A proposal to buy the unused steel targets at Jefferson County Gun Club was presented to them by Paul Davis. They elected not to sell.

New business gone over:

Due to the passing away of long-time member and board member Jerry Jacks we selected Dickey Yaney to fill the remainder of his term.

Someone lost their gate key at the range. If it was you, then contact Mike Walls and describe the key ring to get it back.

The next meeting date was selected as June 23rd but the Community Center was fully booked for that date. Therefore, the meeting date will be June 9, 2024 at the White Hall Community Center. Meeting adjourned.

As always, the Board and officers appreciate all the members and what they do.
