Congrats to Don Smith for taking first in this month's bowling pin match. This match was challenging. We ran our popular combo match where we start with a rimfire and finish with a centerfire. In this match we moved the pepper-popper we use as a stop plate, to the left side of the range in front of the falling plates rack. We incorporated three falling plates into the course of fire giving each shooter 13 targets to engage. The pins were at 21 feet and the falling plates were at 18 to 20 yards.
